From the Principal's Desk...

Loyola Academy Junior College (A unit of the Global Society of Jesus to which all the Jesuits belong) began in 1976 with Rev.Fr.T.Balaiah dreams to create an institution where students would be educated to actualize their potentials and succeed as intellectually alive and socially responsible citizens -- Men and Women for others --

Since inception the institution has been catering to the diverse needs of the student fraternity by providing myriad state-of-art facilities and stimulating teaching-learning environment to groom the students into excellent human resources. The pursuits of discipline, culture and excellence have long been the hall mark of our institution. The primary objective of the society has been, striving not only for academic excellence but producing seasoned human beings who shall take the reigns of the nation. It is with this sense of pride that I recall a few eminent senior students who have passed through the portals of various Jesuit institutions across the country "His excellence, the former president of India, A.P.J. Abdul kalam was a student of St.Joseph's college, Trichy; Late Chief Minister Sri.Rajashekar Reddy and Indraganti Mohan Krishna, Director, Tollywood From Andhra Loyola College – Vijayawada; Sri. Ranga Rajan, the Chairman of the prime Minister's economic advisory council; the union minister of Home affairs Sri.P.Chidambaram were students of Loyola College Chennai. Shekar Kammula, Director, Tollywood and Sri.Montek Singh, Deputy Chairman planning commission of India were an Alumnus of St.Patrick's school. Secunderabad. Ganguly from St. Xavier's Calcutta and Dhoni from St. Xavier's Ranchi."

The Society of Jesus has been striving to carry on the legacy to cater to the needs of the needy offering grants and scholarships to the deserving.

I hope that our collective synergy will help us achieve new heights of academic and professional glory.

- Rev. Fr. M. Arul Jothi. S.J.
